MEMORANDUM FOR : The Record

SUBJECT : Eastman Kodak Facility and Related R&D Contract

25X1A 1. Eastman Kodak was given authorization in late December 1962 to consolidate the ☐ processing facilities. During this move and consolidation (15 - 18 months), business as usual will be conducted at Eastman to cope with processing requirements. The eventual consolidation in the ☐ will permit the handling of foreseeable high priority original and select duping processing requirements and some R&D effort for the NRP. ☐ is being geared to assume the bulk of the duping requirements for the NRP in order to clear the decks at Eastman Kodak for concentration there on select high quality reproduction.

25X1A 2. An R&D contract has been established with Eastman Kodak for work in areas primarily concerned with processing and related improvement areas. Prior to the authorization of any R&D tasks, coordination with NRC will be effected.
